## ART STUDENTS' EXHIBITION

The works in this exhibition do not represent an accurate cross-section of Tech art, but rather the results of extra-curricular work completed by Tech students for their own pleasure and enjoyment without the aid of teacher supervision.

Of the seventy works entered, the jury chose thirty-seven for this, the first showing of the avocational art of Tech students.

T. Godwin,  
Exhibit Chairman

-----

W. Dexter, Calgary - Fourth Year  
1, 2, 3, 4, 5, 6, Ceramics
